

New Dimension

(later: ReggnRoll)

I take the same streets
Know every damn face
I execute
night and day
I'm on (a) hell race

I press the buttons
do bubble talking
I want to feel
something more
(and) I keep calling

*/I am ready for a new dimension
I want to slide on a virgin slope
It is time to remove the tension
What am I waiting for?/*

Where is the nurse with my rock'n'roll?
Gimme my daily doze of rock'n'roll!

I have to turn on
a blaze in my mind
So it will burn
All away
That smelts my time

I need to unleash
cause I am tired
I want to feel
something more
I'm on fire

Let me flee
from this reality
I am sick
of this insanity

I cant bear
one second more routine
I'll freak out
and I am gonna scream

Life means naught
in dusty theory
Let's jump up
to satisfy our need(s)

Where is the doc with my rock'n'roll?
Gimme my daily breeze of rock'n'roll!
